

Weapons and Firearms

IntelliSchool maintains a zero-tolerance policy regarding the possession of any weapon on school premises. A weapon is defined as something which is detrimental to the health, safety and welfare of the student or the student population:

- Knife
- Destructive device
- Dangerous instrument

Possession of a firearm at school will be held in accordance with Arizona State's "Gun Free School Act" (A.R.S. §15-841G) as well as the Federal Statute (20 USC 8921(d)).

Any employee who observes any person in possession of a weapon shall immediately report the matter to the school administrator.

Students who violate this policy will have parents immediately notified, the police will be called, and the student will face immediate expulsion.

Any person or employee in violation of the above will be subject to disciplinary action, removal from school property and prosecution in accordance with the provisions of the law.
