**Parent Notification Letter**  
**School Improvement (SI) Parent Option Letter**

September 9, 2014

Dear Parent/Legal Guardian:

Based on Arizona's Instrument to Measure Standards (AIMS) scores and other academic achievement and growth indicators, Intelli-School - Metro Center has received a state accountability grade of "C" and/or a federal accountability designation of "Focus."

***State Accountability***

The A-F Letter Grade is designed to hold schools accountable in a fair and systematic fashion. Each school is equally evaluated both on AIMS performance and how much students grow academically from one year to the next. Other factors such as AIMS improvement, dropout rate, graduation rate and English language learner proficiency rates are taken into consideration, when applicable.

"D" schools demonstrate a below average level of performance. For example, "D" schools earn fewer points than a school that has 50 percent of students passing AIMS and has typically lower academic growth than most schools.

"F" schools are those that receive a "D" letter grade for three consecutive years. The Arizona Department of Education monitors the school for three years following the "F" letter grade and requires that "F" schools participate in a school improvement program.

***Federal Accountability***

A *Priority School* designation under the federal Elementary and Secondary Education Act (ESEA) is based on student performance data that placed our school among the five percent of lowest performing schools in the state.

A *Focus School* designation under the federal Elementary and Secondary Education Act (ESEA) is based on student performance data that placed our school among the ten percent of schools making the largest contribution to the state's achievement gap.

Being named a Priority, Focus, "D" or "F" School allows our school to receive more resources and support to improve student achievement.

***School Choice***

School choice options exist when there are transfer-eligible schools within the district. In such a situation, our school would be required to let you know of transfer-eligible schools within the PAS Charter, Inc., district, of which Intelli-School – Metro Center is part, as well as provide your student
